PRODUCT CODE: STL4-40U40-WH LED LINEAR STRIP

PRODUCT DESCRIPTION

The Etlin-Daniels STL4-40U40 LED Strip fixture is the perfect solution whether you are designing a new space or retrofitting an existing space. Its flexibility allows for either a surface ceiling or wall mount or a suspended installation, with V-Hooks and chain included in the packaging.

The durable polycarbonate frosted lens provides for an even distribution of light and the sturdy white powder coated metal frame, along with the available wire guard option, makes this fixture the perfect option for commercial ceiling and wall mount, parking garages and stairwells, industrial general or task lighting - or just replacing existing, inefficient fluorescent strips.

Increased energy savings can be achieved when taking advantage of the 0-10V Continuous dimming. And end knockouts allow for continuous row mounting.

FEATURES

- Indoor LED light source
- Light weight steel housing with white powder coat finish
- Frosted polycarbonate lens provides even illumination
- End knockouts for continuous mounting.
- Wire guard available
- Fixture can be surface or suspension mounted.
- Packaging includes v-hooks and chain for suspension mounting
- 0-10V Continuous dimming
- 5 year warranty
- L70 - 50,000 hours
- DLC Standard
